

FORED BC
FOR EDucation about our environment
and its natural resources

October 19, 2020 – FORED BC is offering its annual National Forest Week provincial artwork or photography contest for youths, aged 5-18. This year's theme is: **Healthy Forests - Healthy Future**, marking the 100th anniversary of this event.

Photos or artwork should depict what a healthy forest means to all of us. Some examples: homes for animals, producing oxygen, removing carbon dioxide from the air, totem poles, canoes and other First Nations cultural uses, recreational activities: hiking, camping, plus creating jobs that provide wood for homes and other products we rely on.

Three winners will each collect a \$100 prize from FORED BC. Joint winners would share the prize.

Contest Details:

- **Deadline for submission is November 30, 2020.** All submissions become the property of FORED BC and will not be returned.
- All submissions must be original photography or artwork by the student. Photos should note the date and location of photo.
- Participants **must** provide their **name, postal address, phone, email, teacher name, school name and their grade**, so we can contact winners.
- By participating in this contest, entrants agree that their names and submissions can be published in local media and on FORED social media channels.
- All entrants qualify for complimentary, honorary youth membership at FORED BC.
- All artistic mediums accepted: i.e. pencil, crayon, paint, mural, collage, photos etc. **Due to COVID-19**, all entries **must** be submitted electronically to education@foredbc.org as a photo or scanned (.jpg, .pdf, .png). Minimum 2MB.
- Only winners will be notified. Previous winners can be viewed on our [website](#).

FORED BC, short for **FOR ED**ucation About our Environment and its Natural Resources, is a non-partisan, charitable organization established in 1925. Through support from members, foundations & the Province of BC, we work with aligned groups & volunteers on community-based sustainability projects.
