

National Forest Week Poster Contest 2012

FORED BC once again sponsored the National Forest Week **annual youth poster contest**. We received **325 entries from all across BC**. A \$50 prize was awarded to the winning poster in each of three age categories – primary (ages 5-8), intermediate (ages 9-12), and secondary (ages 13-18).

Although it was a difficult task to choose only three winners from the hundreds of excellent entries received, our volunteers selected the **three winning posters shown below**.

Secondary Winner
